

With effect from 17 March, branch services will be temporarily suspended at HSBC Main Building (BL1, L3, L5 & L6, 1 Queen's Road Central, Hong Kong), which has been included in the compulsory testing notice by the Hong Kong Government. According to the requirements, customers who spent over two hours in HSBC Main Building between 3 March and 16 March have to undergo compulsory testing. HSBC will fulfill the relevant requirements before service resumption. Sorry for the inconvenience caused.

Please note some of the service outlets are temporarily closed until further notice. This is a precautionary measure for contingency purposes to safeguard the health and safety of our employees and customers in light of the rapidly evolving COVID-19 situation in Hong Kong, while balancing the need to ensure normal banking services to the community.
